

source code:
for k_1 in range(3):

3

range(3)

```
graph TD; A(3) --> B(range(3))
```

The diagram illustrates the evaluation of the range function. It consists of three ovals. The top oval on the right contains the number '3'. A vertical arrow points from this oval down to a second oval on the right containing the text 'range(3)'. To the left of these is a larger oval containing the source code snippet 'for k_1 in range(3):'.
