

source code:
loop.stop_unroll

The diagram consists of two horizontal ovals. The left oval contains the text 'source code:' followed by 'loop.stop_unroll'. The right oval contains the text 'loop.stop_unroll' followed by 'Read' on a new line. The two ovals are positioned side-by-side, representing a transformation or mapping from source code to a hardware or hardware-like representation.

loop.stop_unroll
