

source code:
for key in fastq_dict:

The diagram consists of two ovals. The left oval contains the text 'source code:' followed by 'for key in fastq_dict:'. The right oval contains the text 'fastq_dict' followed by 'Read' on a new line. This illustrates a loop in source code that iterates over the keys of a dictionary named 'fastq_dict', where each key is associated with a 'Read' object.

fastq_dict
Read
