

The diagram consists of two horizontal ovals. The left oval contains the text 'source code:' followed by 'loop.stop_unroll' on the next line. The right oval contains 'loop.stop_unroll' on the top line and 'Read' on the bottom line. The two ovals are connected by a horizontal line, suggesting a flow or transformation from the source code to the hardware representation.

source code:
loop.stop_unroll

loop.stop_unroll
Read
